## SKILLS

React, Redux, Python, Javascript, Flask, Express.js, Node.js, SQL, PostgreSQL, SQLAlchemy, HTML, CSS

## PROJECTS

**Amazon** (Flask, React, Redux, Python, HTML, CSS, SQLAlchemy)

[live](#) | [github](#)

- Developed a web app inspired by Amazon, utilizing Flask, React, Redux, Python, HTML, CSS, and SQLAlchemy.
- Created a user-friendly and optimized website featuring products that users can purchase and review.
- Implemented frontend and backend measures to ensure user privacy and limit features to allow users to access and modify only their own reservations when logged in.

**Quickstarter** (Flask, React, Redux, Python, HTML, CSS, SQLAlchemy)

[live](#) | [github](#)

- Developed a clone of Kickstarter using Flask, React, Redux, Python, HTML, CSS, and SQLAlchemy.
- Implemented CRUD features for users to create, manage and delete projects and contributions.
- Designed and integrated a user-friendly search bar to improve navigation and find projects easily.
- Added a real-time counter to track total contributions made, increasing transparency and accountability.

**Flickr.io** (React, Express, NodeJS, Express, HTML, CSS, SQLAlchemy)

[live](#) | [github](#)

- Developed a clone of Flickr using React, Express, NodeJS, HTML, CSS, and SQLAlchemy.
- Implemented CRUD functionality to allow users to upload and manage their own images, as well as to comment underneath images.
- Improved user engagement by enabling users to express themselves through images and comments.

## EXPERIENCE

### Cashier

*Peking Dumpling*

Aug 2015 - Nov 2021

- Improved communication and customer service skills while managing transactions and resolving customer complaints to deliver exceptional experiences.
- Maintained inventory to optimize profits and benefit the business.

### Clerk

*Woori Pharmacy*

Dec 2018 - Mar 2019

- Efficiently managed inventory to streamline workflow and improve productivity.
- Operated and maintained an autosorter RX machine to fill multiple prescriptions simultaneously.
- Contributed to the smooth operation of the pharmacy by assimilating into the work environment.

## EDUCATION

**App Academy** - 24-Week Full-Stack Web Development Bootcamp | 2021 - 2022

**BS Biochemistry** - University of California - Riverside | 2019 - 2021
